INDUSTRIAL INSPECTION AND TESTING SERVICE (IITS)

BIN: 001878153-1001

ISO 9001:2015 CERTIFIED

The Leading NDT Company

1.1 BACKGROUND

INDUSTRIAL INSPECTION AND TESTING SERVICE (IITS) starts its journey in March, 2013 with an aim to take leadership in NDT (Non Destructive Test) field. We have been providing high quality NDT services as we have highly qualified NDT personnel with a lot of various modern sophisticated equipment and facilities which enables it to successfully meet the requirement and demand of complex and large equipment to perform NDT, PWHT as per procedures, code and standards.

We assure to conduct urgency inspection according to procedure based on the codes, standards and clients demand. We have sufficient collection of Codes and Standards of ASTM, ASME, API, AWS, BS etc. As a service render company, we are well aware of the importance of quality assurance and safety, hence our team of qualified inspectors will be on hand to ensure that all our clients are provided high quality and best service in all jobs undertaken. All employees possess specific qualification, trainings and extensive experience in their fields to supervise and inspect various NDT methods. We always ensure our clients & time schedule requirements through rigorous and professional work carried out by our inspectors.

1.2 OUR MISSION

Our vision is to deliver solutions and services beyond the expectations of business, adhering to standards of quality, building enduring business relationships with clients and remain committed to our clients and the society

1.3 TRAINING CERTIFICATION AND CONSULTANCY SERVICES

We are the training agent for

We are providing training for

- CSWIP 3.1 & 3.2
