

RCO Certificate

RCO No. IP-0196
Docket No. 39.07.099.02.02.280.2022-2
Date of Issue : 20-10-2022

This is to certify that

Md. Sirajul Islam

passed the examination and qualified to act as a Radiation Control Officer (RCO) of **Industrial Practices** in Bangladesh.

This certificate authorizes the RCO to discharge the responsibilities stated in Rule 54.1 of Nuclear Safety & Radiation Control Rules-1997 (SRO No. 205-Law/97) and the provisions of such other rules as are applicable in the license.

According to Rule 54.2 of NSRC Rules – 1997 the authorized RCO shall take part in retraining program in every four years from the date of issuance of the certificate.
